SFX: Phone alarm blares. A gasp. (2 seconds)

Female narrator: For women like Madison, there's no time for a dead battery. But I guess there *is* time for a power nap. GAUOLN: Powering devices, empowering women.

Longform ad #1:

Equal Power, Equal Opportunity

At 32, Charlotte made history as the company's youngest and first female CEO. Her secret? Staying powered up with GAUOLN's 5-in-1 charging station. Because with equal power comes equal opportunity.

The business world remains largely male-dominated, but GAUOLN is helping level the playing field. Our 5-in-1 charging station keeps professionals ready for every opportunity.

For women like Charlotte, staying charged means staying ahead. GAUOLN equips businesswomen with the power to stay connected. Get your GAUOLN 5-in-1 charging station at Amazon.com.

GAUOLN: Powering devices, empowering women.

Longform ad #2:

Powering Every Patient

Emma moves swiftly through the emergency room. Tending to patient after patient in a constant blur of motion. She tracks vitals on her phone. She updates charts on her laptop. Even her smartwatch works overtime, tracking more than 10,000 steps a day.

In a job where every second counts, reliable power isn't a luxury. It's a necessity. 12-hour shifts require a long-lasting charge. To keep up with the chaos, she relies on GAUOLN's 5-in-1 charging station. Because patients rely on her.

GAUOLN: Powering devices, empowering women.

Shortform ad #1:

Stand Out in a Sea of Bros

Tech is a male dominated industry. But Samantha codes, leads, and innovates. With her GAUOLN 5-in-1 Charging Station, she stands out in a sea of bros. Because power isn't just for devices, it's for women.

GAUOLN: Powering devices, empowering women.

Shortform ad #2:

Like Coffee for Your Phone

Lisa grabs her mug. The rich aroma of freshly ground beans fills the air. Her devices flicker to life with GAUOLN's 5-in-1 charging station. She never skips her coffee, so why should her devices go without theirs?

GAUOLN: Powering devices, empowering women.
